Welcome to the first bulletin of the 15<sup>th</sup> Morris Minor Car Club's National Rally – 2011. Hi my name is Brian Condon and I am Rally Coordinator, my wife Debbie is Rally Secretary and we can both be contacted by Mail, Phone or email if you have any queries, our contact details are listed above.

Well it has all started, we have in place our Concourse Venue's, our dinner venue's in place, with a slight change to information previously given. Unfortunately due to circumstances beyond our control, Sunday night dinner is now being held at Port Macquarie Panthers instead of Westport Bowling club (all other meals will be held there). Port Macquarie Panthers is only 5 minutes from the Westport Bowling Club and will ensure we have plenty of room to have a great night of Celebration.

Colin Trusler is our Concourse Director, Steve Wilson is our Treasurer and behind us we have a large and enthusiastic team of people, all holding various positions to ensure the Rally is a huge success.

Included with this Bulletin is a hard copy of the Entry Form (please pass to anyone who would like to enter). At the Brisbane rally, the Rally delegates from each club were presented with a CD with the full presentation on Port Macquarie 2011, entry forms, calendar information, for you to download and use. A brochure on Port Macquarie was also contained in the pack.

In collaboration with Port Macquarie Council, we are organizing a list of Accommodation, some who will be offering discounts, places and things to see and do, discount vouchers etc.

The rally has no activities planned before or after the Rally, but you may wish to arrive or leave Port Macquarie a week or 2 either side of the Rally. There is much to do in Port Macquarie and surrounding areas and we will be supplying plenty of information on those activities. Our website is now up and running a great place where you will be able to get up to date information on the Rally.

To date we have had a lot of interest from people wishing to attend the rally and I thank you for that. We can only do so much, a Rally is only as good as the people who attend. We hope that everybody is able to attend and have a great time.

After discussion it was decided to change the concept of the name tags and make them more user friendly. We will be producing name tags with a photo of your car included on it. To enable us to do this, we need you to send a photo (preferably by email) to the Rally Secretary with the cars relevant details, when you send off your Rally Entry. If you are entering 2 cars, please advise which car is His and Hers.

A draw will be held for the first 50 Entries submitted and a prize given, so get those entries in. Please remember to send along your Calendar Entry Forms and photos.

Regards

Brian Condon
