Rally Bulletin Number 2 December 2009

Hello

I hope this finds everybody well. I would like to extend to everyone on behalf of the 2011 Rally Committee, a Christmas wish of good health, happiness and a prosperous New Year. I hope that all the "New Project Cars" are well on the way. To date we have 32 eager entrants.

We are going to have a Club Display area at the Concours, this is to enable clubs to promote themselves, their own events and to sell their regalia. If your club is interested in participating, please let me know so that we can set out an area for you on the day.

We are looking at having a memorabilia display also, if you are interested let us know. The tappet cover races will be back this rally, so start building. We are having 2 classes, morry and non morry, with the winners from both classes racing off for the overall winner. There will also be a prize for the "best decorated" in each class. We will have some activities organised for the kids to do on Saturday also.

Early next year we will have the Regalia, Meal order forms and the Concours Entry forms all posted on the website. The class classifications will also be available on the website early next year. If anyone requires a hard copy, please let me know.

Please help us by sending electronic copies of your cars for the calendars and Name tags.

Happy Morrying

Brian Condon
